FROM OUR PASTOR

Happy Mother's Day!

On this special day, we honor and celebrate MOMS! Motherhood is a sacred journey — filled with sweat, tears, late-night prayers, and countless joys. It's not for the faint of heart. In His perfect wisdom, God designed this role for women — strong, loving, and deeply resilient. Moms, you are a radiant reflection of His love, strength, and grace. I've thought a lot this week about the influence of mothers, and I can't help but thank God for my own mom and the many sacrifices she's made on my behalf. I'm grateful for the mother my wife has been to our children — a true example of Christ in action. And I'm so proud of my four daughters — Heather, Alaina, Carley, and Kylie — each of them incredible moms in their own right. The real job of motherhood isn't just in the day-to-day tasks; it's in the tireless dedication, the unwavering faith, and the deep, God-like love that quietly shapes lives and futures. Moms, your sacrifices, your whispered prayers, your steady hands, and your fierce hearts — they're a testimony of God's grace in motion. Today, we say thank you. We pray you feel cherished, celebrated, and surrounded by His peace. May God continue to bless you with wisdom, fill you with joy, and pour out His love upon you in abundance. I know that your heart is all about the Lord's will, therefore, I am asking you to pray as I preach a message this morning out of 1 Samuel chapter 1 entitled, "The Logic of Motherhood"

*Sincerely, **Pastor Steve***

A Mother's Faith

By Grace and Love, She Stands Each Day,
To guide her children in God's way.
Her hands may tire, her steps grow slow,
But in her heart, God's mercies flow.

She prays with hope, she sings with grace,
Reflecting Christ in every place.
Her wisdom comes from kneeling low,
Where quiet streams of blessings flow.

Through trials deep and seasons long,
She lifts her family up in song.
With Scripture sown in daily life,
She brings God's peace to pain and strife.

O mother dear, so richly blessed,
In you God's love has found its rest.
Today we thank, we praise, we pray—
God keep you strong this Mother's Day.

Rooted in the Word

Your hands have held the Word of Life,
Through every joy, through every strife.
You shared its truth when we were small,
You lived its grace through it all.

"Train up a child," you used to say,
"And they will never lose the Way."
(Proverbs 22:6 was more than verse—
It was your prayer, your blessing, not a curse.)

In weary days and sleepless nights,
You walked by faith, not human sight.
You taught us love, you taught us prayer,
And showed us Christ was always there.

"Her children rise and call her blessed"
(Proverbs 31, in you expressed).
This Mother's Day, we lift our praise
To God for you—and all your ways.

God's Plan of Salvation... What does it mean to be "saved"? Maybe you have wondered what the phrase "born again means." The Bible teaches that salvation is a personal experience that takes place when several things happen: 1) When a person comes to the realization that he is a sinner before a Holy God; 2) When he realizes that his sin will cause him to spend eternity separated from God; 3) When he realizes that God sent His only begotten Son, Jesus Christ, to be the sacrifice for sinners; and 4) When he places his faith in the finished work of the Resurrected Savior Jesus Christ and calls upon Him for Salvation.

The Bible records the prayer of a repenting sinner. It went like this: "...God be merciful to me a sinner." We would be honored to talk with you more on this glorious subject.
