FROM OUR PASTOR

Wow, the temperatures have been a little crazy this week. Yeah, that old thermometer has bounced around this week. We can start the day off at 54 degrees and by the middle of the day the temps can be 90 degrees, that is crazy. So, what we are seeing is that the summer is creeping its way back into our world. Yes, 93 to 98 degrees are well on their way. As Floridians we know that we must stay hydrated. Did you know as Christians we must stay hydrated as well. Like a hundred-degree, steaming-hot day, our sinful world continually dehydrates our soul. Yet the Lord offers Himself as wonderful hydration for our spiritual thirst, filling us with peace, joy, hope and faith beyond what we've ever experienced. The refreshment of His presence is readily available to those who acknowledge their soul's thirst, as the woman at the well did. We all need to walk and talk with Him, be faithful to His house and meditate on His Word. You'll be surprised how your soul will be hydrated.

FROM OUR YOUTH PASTOR

1 Corinthians 3:12-13 - "Now if any man build upon this foundation gold, silver, precious stones, wood, hay, stubble; every man's work shall be made manifest: for the day shall declare it, because it shall be revealed by fire; and the fire shall try every man's work of what sort it is." This past week, I had family experience a very traumatic an life threatening event. I do thank the Lord that they are all okay. On Tuesday night, their house caught on fire while they were in it. They basically lost everything either from the fire or from water damage from the fire being put out. In one night, almost everything they own is now gone. I watched as the tears streamed down their faces as they thought about what was destroyed. It wasn't the furniture lost that caused the pain. It wasn't the electronic devices lost that caused the tears. Rather, it was the clothes that had special meaning; it was the baby, childhood, and graduation pictures that displayed cherished memories; it was the familiar home that brought comfort and safety. It is no longer there. To see them broken emotionally over these things caused me to think about our lives in comparison to eternity. Now, I am not saying that we cannot cry over things that we cherish, but it does cause me to ask a question. "Am I as a child of God so emotionally invested into the lives of others, and His will for my life, as I am invested emotionally in the materialistic things of this world? The memorable photos that were burned up in the fire

God's Plan of Salvation...What does it mean to be "saved"? Maybe you have wondered what the phrase "born again means." The Bible teaches that salvation is a personal experience that takes place when several things happen: 1) When a person comes to the realization that he is a sinner before a Holy God; 2) When he realizes that his sin will cause him to spend eternity separated from God; 3) When he realizes that God sent His only begotten Son, Jesus Christ, to be the sacrifice for sinners; and 4) When he places his faith in the finished work of the Resurrected Savior Jesus Christ and calls upon Him for Salvation.

The Bible records the prayer of a repenting sinner. It went like this: "...God be merciful to me a sinner." We would be honored to talk with you more on this glorious subject.
